

HOMABLE CREATIONS

GREY MODERN SECTIONAL SOFA

Primary build reference. Follow shape, proportions, and visual details.

Preferred dimensions (to guide proportions)

Width: 300 cm

Height: 85 cm

Depth: 90 cm

L-shaped sectional with a longer side of 250 cm and shorter side of 200 cm

Feasibility & Local Constraints

Some finishes, carvings, or spray effects from the reference image may require imported machines or materials and may not be fully replicable locally.

Carpenter should propose the closest achievable alternative.

Materials

External Materials

- Body & Doors: Iroko
- Color: grey
- Finish: Oil finish

Internal Materials

- Foam: Medium-density foam
- Seat Support: Plywood base
- Frame: Hardwood (local)

Internal materials affect comfort and durability. Final choice must be agreed before build.

Approval Checkpoints

- Fabric to be approved before upholstery
- Internal foam type to be confirmed
- Finish sample to be approved before spraying

Client must approve key materials and components before production.
